

# reusable to-go containers

## How it works:

All first-and second-year students will have complimentary access to the To-Go Program. Faculty/Staff and third year and beyond students, can buy into the program for \$5. To-Go containers can be checked out from the cashier in Hicks Dining Hall or Chauncey's Choice. Similar to checking out a library book, you will use your CINO Card to check out a container with the cashier and return it when you are finished.

Bring your reusable To-Go container to Hicks or Chauncey's Choice, fill up and enjoy your meal wherever you like. If you choose to dine in and take a meal to go, two meals will be deducted from your account. When finished, return the container for cleaning and sanitizing. The next time you would like your meal to go, just ask the cashier if you can check out a box.

\*Key tags are no longer needed to obtain a To-Go Container

**Return:** Hicks or  
Chauncey's Choice
